Kansas City BBQ Sauce – a balanced compliment of smoky flavour followed by a slight bit of heat.

Buffalo Medium Wing Sauce – a traditional Buffalo Style Wing sauce. A rich reddish colour, great cling and a *somewhat* aggressive medium heat.

Buffalo Hot Wing Sauce – the same rich colour of our Medium Wing sauce, great initial flavour followed by a big hit of heat. For the Hot wing lovers – this will definitely deliver!

Smoked Lime Tequila Wing Sauce – A hint of lime, a kick of heat from Poblano peppers and a dash of tequila!

Sweet Chili Lime Wing Sauce – Bits of red pepper and garlic, sweet with a slight heat. Orange, ginger and sesame oil round out the flavours of Asia.

Hot Sauce – a thinner sauce, more in line with a traditional hot sauce that would be added to wings, beverages, sauces and chili's.
